Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English. Brand new Book. AJ The lies between my parents and I came to light and now I'm working on a new life for myself. Along the way, I have my trusty superhero, Mason, to lean on when I have a hard time standing or when my crazy ex-boyfriend continues to feel he has a claim on me. Porter has trouble understanding that there hasn't been an 'us' for more than three years plus all the issues he had brought upon himself. My father was right, drugs do kill. My other concern is the growing feelings I am having regarding Mason. There's something between us I want to explore but I keep getting mixed signals. In addition to that, the scumbag she dated years ago keeps popping up everywhere we go. If I could use my license to kill, maybe I can stop worrying about one thing and concentrate on what to do with the green eyed girl who keeps me...
